<ul style="list-style-type: none"> <li>• Very responsible, caring, attentive and knowledgeable.</li> <li>• Haaris was great! attending his discussion sections was the only way I was able to understand many of the concepts going on in lecture.</li> <li>• always willing to respond to emails and question. Haaris was a good TA.</li> <li>• Extremely nice person and seems genuinely eager/happy to help students understand and succeed in the course. My only complaint, which wasn't a very big deal, is that homework was graded and returned pretty slowly.</li> <li>• Haaris is the best TA I have ever had, he cares a lot about everyone understanding the material and puts in a lot of effort to clear things up. He's also a genius. Nothing negative to say. Having Haaris is essential to taking this course.</li> <li>• Good explanation for complex concepts, very helpful for home work preparation.</li> </ul>
